

2024 MUSCLE CAR AND CORVETTE NATIONALS

Thanks to Ed George, Bob Ashton, and all the participants, once again there was an excellent showing of Studebakers at the annual Muscle Car and Corvette Nationals car show. Highlight of the show was the 1933 Indy 500 Special that was on display courtesy of the Studebaker National Museum.

These two pre-Jet Thrust cars were also in attendance at the 2024 MCACN show; Craig Piper with his 1957 Golden Hawk, and Peter Wendt with his 1961 Hawk.
